WEATHER SYNOPSIS BY REGION

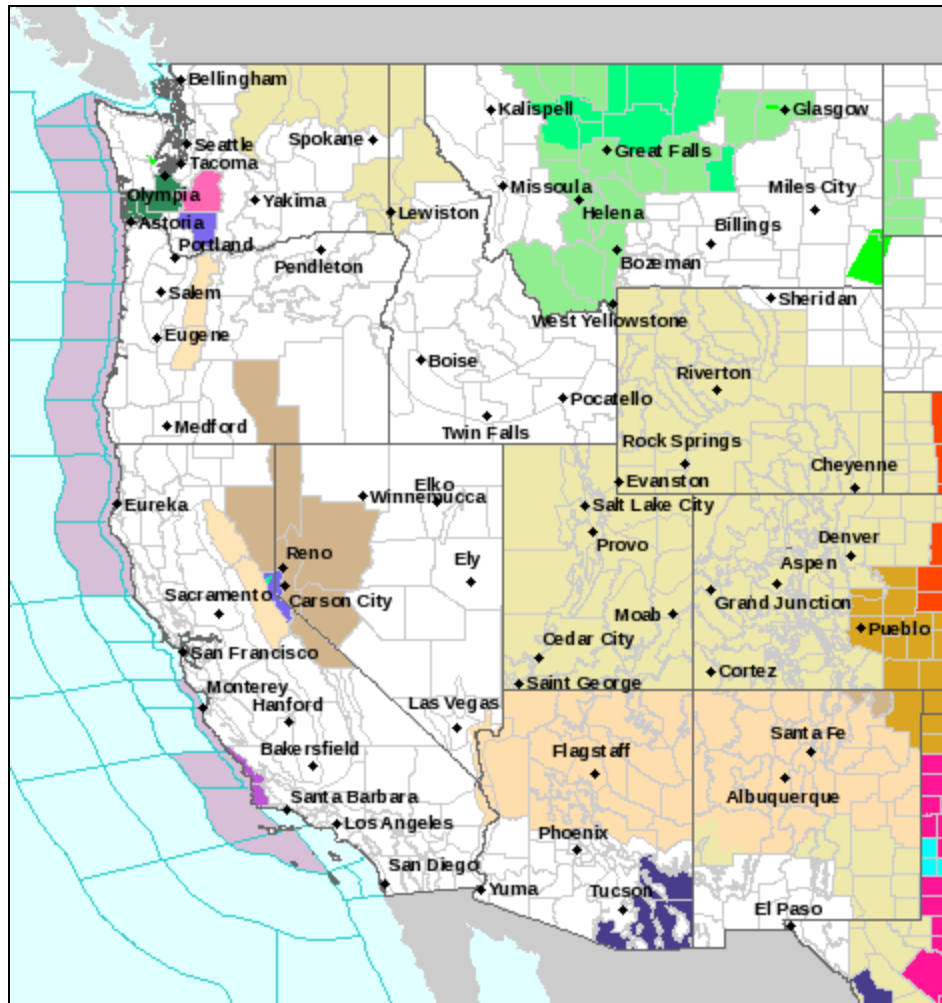

NORTHERN CALIFORNIA

Dry and warm weather today, but more rain and accumulating mountain snow is expected to spread into the area overnight into Sunday and continue into Monday night. Dry Tuesday followed by more wet weather mid week. Model analysis and water vapor imagery overnight showed a shortwave ridge of high pressure positioned over California with some moisture translating into a few passing high level clouds. Otherwise, light winds and dry conditions overnight with temperatures ranging in the upper 40s to low 50s for the valley and temperatures in the mountains in the upper 20s.

SOUTHERN CALIFORNIA

Conditions will be dry and warm this weekend followed by variable weather during the work week. Temperatures will be near to below normal through the week with a slight chance of showers Monday and Thursday and breezy winds at times. Clear skies have allowed temperatures to drop into the 40s for interior San Luis Obispo County, the Antelope Valley and higher elevations early this morning. Offshore winds gusting between 25 to 35 mph in wind prone locations of the Santa Monica mountains has held temperatures well into the 60s.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2018-LAW-46205, 04/13/18, 1555 hours:** Napa County Sheriff's Office requested a Law Enforcement cadaver K-9 to assist with a search warrant for a missing person/homicide investigation for the Napa City Police Department. During the investigation, the Missing Person's vehicle was located in El Dorado County. El Dorado County Sheriff's Office requested 6 Cadaver K-9's to search the area where the vehicle was located. The request was for one operation period for Saturday (04/14). At 1705 hours, Napa County cancelled the request for the LE Cadaver K-9. The state K-9 coordinator was able to secure the 6 K-9's for El Dorado County. **Mission Ongoing.**
- **2018-LAW-46195, 04/13/18, 1230 hours:** Orange County Sheriff's Department (OCSD) is requesting resources via the Region I mutual Aid Coordinator (RMAC). OCSD is requesting the California National Guard (CNG) 9th Civil Support Team (CST) to assist with the security of the Orange County Marathon which will be held on 05/16/18. CNG 9th CST accepted the mission. **Mission Ongoing.**
- **2018-LAW-46158, 04/10/18, 1403 hours:** Mendocino County Sheriff's Office (MCSO) requested SAR mutual aid regarding a missing family of 4, whose vehicle is believed to have gone into the South Fork of the Eel River, North of Legget, on 04/06/18. Southern Humboldt County Technical Rescue accepted the mission. Cal OES Law Enforcement Duty Officer (LDO) facilitated a request to the California National Guard (CNG) so they can do a feasibility analysis of the area to further assist in prepping for this mission, should they be able to support it, as conditions become suitable for additional assets to search for the missing vehicle and family. **Update: 04/11/18, 0830 hours:** Humboldt County Sheriff's Office (HCSO) boat and team with a side scan sonar requested. HCSO accepted the mission to attempt to locate the vehicle as the water is muddy. **Update: 04/11/18, 1457 hours:** MCSO requested an airship from CNG (Lakota (UH-72) or Blackhawk) to assist them on Friday, 04/13/18, to search the area. CNG working on the request. **Update: 04/12/18:** CNG was unable to fill the request for 04/13/18, the same mission was requested of CNG for Monday, 04/16/18. CHP continues to assist MCSO with air operations. **Update: 04/13/18, One victim was located approximately 12 miles downstream from the collision site. MCSO requested an additional swift water team to assist in the search efforts. The request is for Tuesday 04/17/18. Mission Ongoing.**

Closed Cal OES Law Missions

- **2018 LAW-46201, 04/13/18, 1122 hours:** The Air Force Rescue Coordination Center (AFRCC) reported a PLB activation at LAT: 34 15.07N LONG: 118 08.87W. These coordinates plotted to an area above Pasadena. The emergency contact for the registered owner confirmed her husband was currently hiking in the area of the activation. Los Angeles County Sheriff's Office Air Unit responded and located the injured hiker. He was transported to an area local hospital for his injuries. **Mission Closed.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-FIRE-46175:** Cal OES Fire & Rescue Branch has Mission Tasked 9 National Guard Aircraft for training purposes (2018 Interagency Military Helicopter Training) with CAL FIRE for 04/14/18 and 04/15/18.
- **2018-IREOC-45244:** Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene – Long-term assignment)
- **2017-SOC-44098:** CalRecycle Debris Management Team in Ventura County (Coordinating)
- **2017-SOC-43821:** DTSC to remove household hazardous waste from over 500 residential lots in Ventura County (On Scene)
- **2017-Inland-42559:** Weather station installed to gather real time rainfall data by Air Resources Control Board (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
